## UZBEK SSR ANNOUNCES PLANS AND APRIL ACHIEVEMENTS

According to a decree of the Council of Ministers Uzbek SSR and the Central Committee of the KP(b) Uzbekistan, a program has been set up for the further development of the Golodnaya Steppe in 1949 - 1950. This program calls for development of improved land, further development of irrigation, utilization of grasses, mechanization of agricultural work, development of gardens and vineyards, development of animal husbandry, construction of roads and communications installations, electrification, medical care for the population, and education and cultural services.

The decree calls on the Main Administration of Roads of the Council of Ministers Uzbek SSR, the Tashkent Oblast Executive Committee, and the Mirzachul'skiy and Syr-Dar'inskiy Rayon Executive Committee to build 136 kilometers of roads in Mirzachul'skiy Rayon and 108 kilometers of roads in Syr-Dar'inskiy Rayon during 1949 - 1950.

The Ministry of Communications USSR Representative in the Uzbek SSR is to complete telephone communications in the Rural soviets of Syr-Darinskii Rayon by 1 August 1949 and is to develop a plan for installing telephones in all kolkhoses of Syr-Darinskii and Mirzakhul'skii rayons in 1950. Uzbekssel'elektro (Uzbek Rural Electrification) is to complete by 1 August 1949 the necessary preliminary work on the radiofication of kolkhoses in connection with electrification improvements in Syr-Darinskii and Mirzakhul'skii rayons.

Uzbekenergo (Uzbek Power) is to work out, by 1 October 1949, a plan for a 35-kilovolt network and transformers for high-voltage power lines which will supply electric power to Syr-Darin'skiy and Mirzachal'skiy rayons. In 1949, Uzbeksel'elektro is to plan the basic work on the electrification of kolkozoes to be carried out in 1950 - 1951. Central Asia Hydroelectric Power Plant Planning is to develop plans for the construction of the Golodnaya Steppe GES and Nizhne-Bozoyevskaya GES.
